Request for Quotations for the Design and Publication of the National Rural Network Newsletter for the Managing Authority for the European Agricultural Fund for Rural Development (2014 – 2020)

### **Clarification Note No. 1**

---

**Q:**

Following point 5 of the attached document, could you kindly clarify if the 'information leaflets in different formats' would be the same as the publications? If not, could you kindly indicate the quantity of these mentioned leaflets, so that we include the design in the final costs?

**A:**

The information leaflets mentioned in Article 5 – Requirements, maybe requested at the discretion of the Managing Authority. These leaflets may be requested in any particular format, ranging from an electronic publication (as being requested for the NRN newsletter) to a simple A3 Brochure. At this moment we are unable to indicate the actual quantity of these mentioned 'leaflets', however we do not envisage that a large number would be requested.
