

## National Rural Network Malta

### Committee Meeting – 20th April 2012

A National Rural Network Malta (NRNM) Committee Meeting was held on 20th April 2012 at the Dingli Interpretation Centre, Dingli Cliffs. The meeting was held in a rural setting, next to the Dingli Heritage trail project financed under Measure 313 of the Rural Development Programme 2007-2013.

The meeting was particularly important first and foremost as it announced the restructuring in the structure of the Network and welcomed the vital contribution of new and existing Committee members. The meeting also served as a platform to inform NRN Committee members of the developments in the study being undertaken on the Common Agricultural Policy (CAP) reforms. The external evaluators of the RDP 2007-2013 were also present during the meeting.
